SPINNING POWER OF SPIDERS

Spiders have four pairs for spinning
their threads, each pair having 1,000
holes, and the fine web itself is the
union of 4,000 threads. No spider spins
more than four webs, and when the
fourth is destroyed they seize on the

NO COMPROMISE

Insurance Official Says Companies
Afraid Other States May Follow
Kentucky's Lead.

Frankfort.—Representative Harry J.
Meyers, of Covington, who went to
Philadelphia on a mission in connec-
tion with the attempted settlement of
the fire insurance deadlock, said he
learned from the lips of a high insur-
ance official why the companies have
withdrawn from the State and why they
won't compromise except on the con-
dition that the Zorn Bill be repealed.

"This man said to me, 'Harry, we'd
rather lose all the business in Kentucky
than have all these other States fol-
low Kentucky's example in the regula-
tion of fire insurance rates.' They're
trying to make a horrible example of
Kentucky," was Mr. Meyers' explana-
tion of the situation.

TEN SULTANA SURVIVORS

able to Attend Banquet—Banks of
Those Saved From Disaster Are
Growing Thin.

Toledo, O., April 29.—Only ten sur-
vivors of the steamer Sultana explosion
were able to attend the annual sur-
vivors' reunion here today.

They received a communication from
Congressman Frank B. Willis, of Ohio,
to the effect that he will introduce a
bill for the erection of a monument to
the 1,750 victims of the Sultana ex-
plosion.

They were Union veterans returning
from the Civil War.
The steamer blew up April 27, 1865,
in the Mississippi River, near Memphis.
Only 464 of the passengers were saved.

THE VERY IDEAL

Or Taxing Motion Picture Tickets To
Pay War Expenses.

Washington.—A unique plan of rais-
ing revenue to carry on war with Mex-
ico is proposed in a letter from Dr. A.
E. Stonecipher, of South Bend, Ind.,
which has just been received by Rep-
resentative Barnhart and referred to
the Ways and Means Committee.

"Let the movies pay the war tax,"
is his plan. He says that if every
ticket to a motion picture show were
required to bear a special revenue
stamp, the problem would be solved
without having to resort to "less de-
sirable" stamp acts.

STOMACH TROUBLES

Mr. Ragland Writes Interesting
Letter on This Subject.

Madison Heights, Va.—Mr. Chas. A.
Ragland, of this place, writes: "I have
been taking Thedford's Black-Draught
for indigestion, and other stomach trou-
bles, also colds, and find it to be the very
best medicine I have ever used.

After taking Black-Draught for a few
days, I always feel like a new man."
Nervousness, nausea, heartburn, pain
in pit of stomach, and a feeling of full-
ness after eating, are sure symptoms of
stomach trouble, and should be given the
proper treatment, as your strength and
health depend very largely upon your
food and its digestion.

To get quick and permanent relief
from these ailments, you should take
a medicine of known curative merit.

Its 75 years of splendid success, in the
treatment of just such troubles, proves
the real merit of Thedford's Black-
Draught. Safe, pleasant, gentle in action,
and without bad after-effects, it is sure
to benefit both young and old. For sale
everywhere. Price 25c. N. C. 122
